Easter Chick Cup

Enjoy making your own chick cup to play with this Easter! A simple craft activity that is perfect for keeping little ones busy and having fun over the Easter break.

You will need:

- 1 white cup
- Yellow paint
- A paint brush
- A handful of yellow feathers
- 1 orange pipe cleaner
- A small orange piece of paper
- A pair of googly eyes (**use black card if under 3 - choking hazard**)
- A glue stick
- Sticky tape
- A pencil
- A grown up to help you

First, with the help of an adult, paint your white cup yellow and leave to dry.

Then draw a small triangle on your orange paper and cut it out (getting an adult to help you).

With the help of a grown up, cut your pipe cleaners into 6 small pieces, all roughly the same size.

Now twist together one end of the pipe cleaner and fold to make your chick's feet.

Stick your googly eyes, orange beak and orange feet onto the yellow cup.

Use your glue stick carefully and make sure you ask an adult to help if you need to.

Make sure you use enough glue to get the feet to stick.

Finally, fill your cup with yellow feathers.

Hooray - your Easter chick is now ready to play and get creative with!
